“Designed to promote firearms and hunting safety.”

Grant Program

Could your organization benefit from an NRA Foundation Grant?

The NRA Foundation strives to support *your* communities by funding programs and various community events for Boy Scouts of America, FFA, Jaycees, 4-H, local clubs, educational institutions, associations and police departments in the areas of training, education and safety as well as supporting programs for wildlife and natural resource conservation.

State Fund Grants

State Fund Committees represent the interests of each state. The committee reviews and recommends for approval, by The NRA Foundation Board of Trustees, projects from eligible groups in the state that have submitted an official grant application.

Application/Eligibility

Application guidelines defining grant eligibility, state by state submission deadlines, submission requirements and contact information are all available on-line at www.nrafoundation.org, by calling 1-800-423-6894 (extension 1131), or by e-mail at selkin@nrahq.org.

The NRA Foundation is proud of its support of youth programs, range development/improvement, training, education and safety through the Grant Program. Each of these areas represents an important facet of firearms education, history, training, skill development and appreciation of our natural resources.
